DESCRIPTION

De-oxidizing product with fast action.

JUST PLATE is an excellent spray de-oxidizer for web offset HEAT-SET and COLD-SET presses.

PRINCIPLE CHARACTERISTICS

JUST PLATE is an efficient de-oxidizer with fast action for offset plates of new conception.

JUST PLATE avoids press stop for removal of dots and oxide deposits on the plates.

JUST PLATE thanks to its dosing system, is used while the press is running, avoiding thus the press stop.

ADVANTAGES/BENEFITS

1. Fast and optimal plate cleaning
2. Does not damage the plates
3. Reduces the number of waste copies
4. Reduces machine down-times
5. Guarantees sharper printing
6. **Reduces working costs**

INSTRUCTIONS FOR USE

Spray **JUST PLATE** directly on the plate or on the dampening roller on the interested parts until the complete removal of the dots.

JUST PLATE
